

NAMA : FAIZ HIDAYAT

NIM : 201420026

KELAS : IF1A

TUGAS NOTASI IF

Problem statement:

Write a program to accept time in 24 hours format and then great the user.

Time between 0-12 :good morning

Time between 13-16 :good afternoon

Time between 17-20 :good evening

Time between 21-24 :good night

Otherwise :wrong input
